

Internal Sales Engineer

Due to continued expansion, an exciting opportunity has arisen at BSP Hydraulics Ltd. We wish to recruit an enthusiastic & ambitious individual for the position of Internal Sales Engineer, who will be based at our Wakefield office with opportunity of external sales visits.

BSP are a premier supplier of high quality hydraulic equipment into the transport, mobile & industrial market sectors. We deal with leading distributors including Parker, Hydro Leduc, Bezares and many more.

Reporting to the operations manager, you will be involved with generating sales, quotations and following up sales leads.

The successful candidate will have:

- Hydraulic experience (essential); a major requirement is that you have sound knowledge of pumps, motors and directional control valves.
- An outgoing and confident telephone manner.
- Excellent communication skills.
- A flexible approach to day to day requirements.
- A full UK driving license.

Permanent Role – Full Time
Monday to Friday (8.15am – 5pm)

Salary is negotiable dependent on age and experience.

Company Benefits:

- Bonus
- Private Health Cover
- Pension Scheme

If you are interested in this opportunity please send your full CV to Eleanor Conyers.
